

# Tree Jumpers

## Tree Jumper Exhibition 2010

Locals and visitors are saying that the 2010 exhibition was the best they've seen. The creativity and resourcefulness of the artists was truly inspirational. Warwick Art Gallery sincerely thanks all who entered. We had 160 tree jumpers in the exhibition. Artists, families, groups of friends, schools, businesses and community groups worked side by side to transform our streets and park into a vibrant celebration of imagination and visual art. Our two (optional) themes for the exhibition - Psychedelic and Frost the Park - generated a lot of interest and very clever artworks. Please scroll through our Gallery of tree jumper images.

Warwick Art Gallery are already planning the 2011 exhibition. You can register an expression of interest NOW by phoning the Gallery Reception Desk on 0746610434. We will announce next years (optional) themes and sections in November 2010. Tree allocations will be confirmed in February 2011.
